Software License

Information

The software installed on the **e-STUDIO2007/2307/2507/2505H/2505F** is a modular operating system made up of hundreds of individual software components, each of which was written and copyrighted individually. Each component has its own applicable end user license agreement ("EULA"). Most of the software programs are licensed pursuant to a EULA that permits you to copy, modify, and redistribute the software in both source and binary code forms. All of the software and documentation developed or created by or for TTEC are proprietary products of TTEC are protected by copyright laws, international treaty provisions, and other applicable laws.

Export Control Notice: The software is subject to Japanese and U.S. laws and regulations pertaining to export control including the Japanese Foreign Exchange and Foreign Trade Act and the U.S. Export Administration Regulations, and may not be exported or re-exported to certain countries or to persons or entities prohibited from receiving Japanese or U.S. exports (including those (a) on the Bureau of Industry and Security Denied Parties List or Entity List, (b) on the Office of Foreign Assets Control list of Specially Designated Nationals and Blocked Persons, and (c) involved with missile technology or nuclear, chemical or biological weapons).

Trademarks

- The company names and product names in this document and in this software are the trademarks or registered trademarks of their respective companies in the US and/or other countries.

The following EULAs are provided in accordance with their terms.
